Photographing/Filming Policy

- Photographing/Filming is allowed in public areas of Village Hall at any time during regular business hours. Public areas are the main hallway around interior of the building, the main meeting room, the conference room, and lobby area.
- Any Photographing/Filming, and related equipment, cannot interfere with Village business, impede access, impede others with business in Village Hall, or compromise security.
- No Photographing/Filming is allowed in the Clerk's office, Mayor's office, Fire Chief's office, Police Chief's office, Building Inspector's office, and all of the Police Department.
- Under the New York State Open Meetings Law (Article 7 of the Public Officers Law) — when a "public body" (such as a municipal board) is meeting in a space open to the public, you have the right to photograph, record, or broadcast that meeting. Photographing/Filming of any public Village meeting is permissible without disruption to the meeting, including any equipment.
- The Public Work Garage, Water Treatment Plant, Wastewater Treatment Plant, and any related facilities of the Village, are NOT considered public facilities or areas, and there is no public access, and no photographing/filming allowed. Access is by request.
