

Village of Coxsackie

Public Hearing Minutes

Local Law #4 of 2026- To Amend Section 145-47 of the Village Code of Coxsackie.

September 21, 2026

The Public Hearing was called to order by Mayor Mark Evans at 6:47 p.m. Present were Trustee Christopher Hanse, Trustee Katlyn Irwin, and Trustee Deidre Meier. Trustee Rodney Levine was absent.

Mayor Evans stated that the purpose of the Public Hearing is to allow for public comment on Local Law #4 of 2026. This local law is for addressing adding "No Parking" on a section of Washington Avenue. He said that this is very simple. Whenever the Village restricts parking, they have to actually put it in the code. When this was done and published to the public, a lot of people took it as the Village was restricting parking on the entirety of Washington, and he made a post that said that that's not the case. So, the Village is restricting parking on Washington from the corner of Sunset, on the west side, back 100 feet, or basically to the first telephone pole. That is so that when cars come down Sunset, and they're looking to go left or right, and they approach the stop sign, that they'll have enough sight distance to look back to see if there's any cars coming down Washington, and they've got enough time to get onto the street. So, just a safety issue.

Patricia Maxwell stated that she has a question, just because she's having a hard time figuring out the Ely Street one.

Mayor Evans asked which one.

Patricia Maxwell stated the first two for Ely Street.

Mayor Evans stated that those are existing ones. The only new one is on page two.

Patricia Maxwell asked if she understood correctly that it is just the one in red.

Mayor Evans stated that that is correct. So, that's the existing list right now. They're just adding to that.

Patricia Maxwell stated that the one she was questioning states, "From Lower New Street south. So, South goes up the hill. It also mentions the drainageway under Ely Street." Now they only park on one side of Ely Street. On the east side. She said that it doesn't matter. She just doesn't understand it.

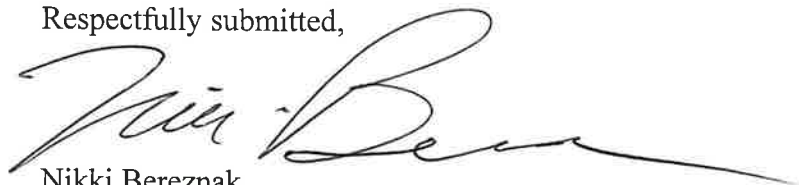

Mayor Evans stated that they won't take too much time on it, but he thinks that that's really, really old. He asked if she heard about the drain that the Village found as part of the sewer plant. He wonders if it's referring to that.

No further public comments were offered.

A motion to adjourn the Public Hearing was made by Trustee Irwin and seconded by Trustee Hanse. Trustee Hanse voted yes. Trustee Irwin voted yes. Trustee Meier voted yes. The motion carried.

The meeting was adjourned at 7:00 p.m.

Respectfully submitted,
